## Weddings... I'm all yours

At One Great George Street we give you exclusive use of this elegant building in the heart of London for your special day. Together with our first class service, we will ensure that your wedding day is one of the most memorable days of your lives. We have civil ceremony and civil partnership licenses for most rooms in the building, enabling you to make your vows and then celebrate in the same venue.

Memorable photographs will no doubt be important to capture the spirit of your day. Here at One Great George Street our traditional and elegant surroundings or St James's Park can provide a magical backdrop and can be combined with a selection of photographs of Big Ben and the Houses of Parliament just a short one minute walk away.

## One Perfect Wedding Day...

**It's all about location...** With close neighbours being Big Ben and St James's Park, One Great George Street is the perfect location for your special day. Imagine the photography with London's famous landmarks in the background!

**It's all about celebrating...** Our innovative Chef will devise a menu reflecting your personal tastes. The best wines and Champagnes will then be suggested to complement the food.

**It's all about you...** Our dedicated Wedding Co-ordinator will work closely with you from the initial booking, through the planning stages, looking after the finer details and of course, on the day.

We do believe all weddings and civil partnerships are unique, so tailor-make every one depending on what is special to the individual couple.
