Our Open Flame Policy

- No tea lights or pillar candles to be placed on the main staircase
- No flower arrangements to have a naked flame within them. Your florist will need to look into LED replacements instead
- We recommend all naked flames are substituted with a flame effect LED. However candles are permitted in the fireplaces in the State Rooms and in table decorations as long as they are housed within appropriate containers/lanterns/candelabras

Please note, you may have access to the venue up to five hours in advance of your event. Earlier access for suppliers can be arranged where necessary by arrangement.
